

Harry G. Barr Company – Limited Warranty for Exterior Coating of Vinyl Windows & Doors

Harry G. Barr (HGB) vinyl windows and doors that have been manufactured with our specially formulated coating applied to the exterior vinyl surfaces carry a 10 year warranty against the applied coating peeling, cracking, or blistering, and significant (greater than 6 Delta E units) ultraviolet discoloration caused by natural environmental atmospheric conditions.

Limitations

The warranty for the exterior coating begins at the date of invoice for HGB's customer of record and extends for a period of 10 years. This warranty is only valid for the owner of the structure at the time the coated products were installed, and is not transferable to any subsequent owners.

HGB will have no liability for damage to the exterior coating caused by an external factor, including, but not limited to, stucco leach, acidic or solvent washes, hard tack tapes, persistent salt water spray and blowing sand, impacts from foreign objects, acts of God, fire, explosion or other casualty, structural settlement, excessive heat or moisture, incorrect or unreasonable use including failure to provide care and maintenance as recommended by HGB, improper installation, abuse, neglect, vandalism, or the use of unapproved window cleaners.

Execution of Warranty Claim

Owner must promptly notify the dealer/distributor or HGB and provide any substantiation that we may request. HGB reserves the right to inspect any claims within a reasonable amount of time.

If the Coating fails to meet this limited warranty, HGB's liability to customer is limited solely and exclusively to provide replacement Coating or refund the original purchase price paid for the coating, at the option and sole discretion of HGB. Replaced Coating is warranted only on the same terms and for the remainder of the warranty period.

HGB reserves the right to fully satisfy its obligations under the Limited Warranty by furnishing a substitute or replacement component or product in the event a product or any component of a product is discontinued or is otherwise unavailable.

This limited warranty gives you specific legal rights, and you may also have other rights, which vary, from state to state.

The duration of any implied warranties, including the warranties of merchantability and fitness for a particular purpose, are limited to the duration of the express warranties herein. HGB hereby excludes incidental, special and consequential damages, including loss of time, inconvenience or loss of use of residence, for any breach of any express or implied warranty, including any implied warranties of merchantability or fitness for a particular purpose.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to you.
